

Teacher Answer Key – Lesson 2 Quiz (Grade 5)

AQBS Rule: Ask Questions. Be Skeptical.

Source:

1. Multiple Choice

Correct Answer: A

A post gives you a strong emotional reaction.

Because strong emotions are a signal to pause and use AQBS.

2. Multiple Choice

Correct Answer: B

"Why am I feeling this way?"

This is the question that helps students understand their emotions.

3. Multiple Choice

Correct Answer: C

Taking time to pause, think, and investigate

This is the AQBS Rule in action.

4. True or False

1. **T** – Strong emotions mean you should slow down and think.
2. **F** – Being skeptical doesn't mean refusing to believe anything; it means asking questions.
3. **T** – Evidence helps you decide if something is true or false.
4. **F** – You do NOT have to respond to posts online.

5. Fill in the Blank

(Word bank: evidence, skeptical, emotions)

1. **emotions**
2. **evidence**
3. **skeptical**

6. Matching – AQBS Questions

Prompt	Correct Match
1. Helps you understand your feelings	C – “Why am I feeling this way?”
2. Helps you check the facts	B – “What’s the evidence?”
3. Helps you question the truth of the claim	A – “Is it true?”

7. Scenario Question

Correct Answer: B

Take a deep breath, ask questions, and think.

This is the core AQBS sequence.

8. Short Response (Answers may vary)

Expected key ideas:

- AQBS slows you down so you don’t react emotionally.
- Helps prevent spreading false or harmful information.
- Encourages checking for truth before acting.
- Keeps online spaces safer and kinder.

Example of an acceptable response:

“The AQBS Rule helps prevent harm because it reminds you to slow down when you feel strong emotions. When you ask questions and look for evidence, you are less likely to believe or share something untrue.”
