

**** Lesson 2 – Grade 6 Quiz**

Teacher Answer Key (AQBS Rule)**

1. Multiple Choice

Correct Answer: B

A post gives you a *strong emotional reaction* → use AQBS.

2. Multiple Choice

Correct Answer: C

“Is there evidence it’s true?” checks the truth of a post.

3. Multiple Choice

Correct Answer: B

Being skeptical = *pause and ask questions before reacting*.

4. True or False

1. **T** – Strong emotions can cloud judgment.
2. **F** – You do *not* have to respond to every post.
3. **T** – Evidence helps prove truth or falsehood.
4. **T** – Pausing before reacting is okay (and smart!).

5. Fill in the Blank

1. **emotions**
2. **evidence**
3. **skeptical**

6. Matching – Two Types of Questions

Item	Correct Answer
1. "Is it true?"	B – Post Question
2. "Why am I feeling this so strongly?"	A – Emotion Question
3. "What's the evidence?"	B – Post Question
4. "Do I really need to act on this feeling?"	A – Emotion Question

7. Short Response (Sample acceptable answers)

A student answer is correct if it expresses **any** of these ideas:

- ✓ Reacting too quickly can spread false information
- ✓ Strong emotions can make you misjudge the situation
- ✓ Quick reactions can hurt others or make the situation worse
- ✓ You might regret responding without checking the facts

(Teacher: Accept all reasonable versions.)

8. Scenario Question – Multiple Choice

Correct Answer: C

Pause, ask questions, and check for evidence.
