

Media Masters Rock – Lesson 3 Quiz (Grade 5) - Who's Getting the Candy?

Name: _____

Date: _____

Instructions: Answer each question by thinking about what “candy” means online — **money, fame, or popularity** — and how motivation affects whether a post is truthful or not.

1. Multiple Choice

When we ask “Who’s getting the candy?”, we are trying to understand:

- A. Who likes candy the most
- B. Why someone posted something online
- C. How many people saw the post
- D. Whether the post has pictures

2. True or False

Circle **T** for true or **F** for false.

A. Every post online gives someone “candy.”

T / F

B. Popular posts are always trustworthy.

T / F

C. A person might post something mean just to feel powerful.

T / F

3. Match the Post to the Motivation (Candy)

Write the correct LETTER next to the candy reason.

Candy Reasons:

- A. Money
- B. Fame
- C. Popularity

Posts:

1. A gamer posts a video hoping to get more subscribers.
2. A store posts a video advertising a weekend sale.
3. A kid posts a funny meme to get their friends to laugh.

4. Multiple Choice

A post says: "Click here to see something unbelievable!"

What candy are they probably trying to get?

- A. Popularity
- B. Fame
- C. Money
- D. Helping others

5. Short Answer

In your own words:

Why should a Media Master ask "Who's getting the candy?" before believing or sharing a post?
