

Lesson 3 Quiz – Who’s Getting the Candy?

Grade 6 – Media Masters Rock!

Name: _____

Date: _____

1. Multiple Choice

What does “candy” mean in the Media Masters lesson?

- A. Real candy you can eat
- B. Rewards someone gets from a post (money, fame, popularity)
- C. How many friends you have in real life
- D. A type of online game

Circle one.

2. True or False

Circle **T** for True or **F** for False.

A. A post can give candy to someone even if they didn’t write it.

T F

B. Someone may post something shocking just to get clicks.

T F

C. Helpful posts never give the poster candy.

T F

3. Match the Motivation

Draw a line to match the post with the kind of “candy” the creator is getting.

1. A YouTuber posts a dramatic, exaggerated story to get more views.
2. A friend posts a helpful video-game tip.

3. A company posts a video promoting their new product.

- A. Money
- B. Popularity
- C. Fame

4. Multiple Choice

A post says: *"Everyone is talking about this unbelievable new cure!"*
What question should you ask FIRST?

- A. "How many likes does it have?"
- B. "Who's getting the candy from this post?"
- C. "Do my friends believe this?"
- D. "What color is the background?"

Circle one.

5. Short Answer

In your own words, explain why it is important to ask "Who's getting the candy?" before believing or sharing a post.
