

Lesson 3 Quiz – Who’s Getting the Candy?

Grade 7

Name: _____ Date: _____

1. Multiple Choice (Choose ONE)

When we ask “**Who’s getting the candy?**”, what are we trying to understand?

- A. Who has the most followers online
- B. Who benefits from the post (money, fame, popularity)
- C. Who wrote the nicest comments
- D. Who took the picture

2. True or False

Write **T** or **F**.

- A. A person can get “candy” from a post even if someone else created it. _____
- B. People sometimes leave out information to get more clicks or views. _____
- C. A post that helps someone still gives candy to the person who posted it. _____

3. Identify the Motivation

Write **Money**, **Fame**, or **Popularity** for each example.

- A. A creator posts a video titled:
“I Survived 24 Hours with 100 Snakes!”

Motivation: _____

- B. A classmate shares a funny meme hoping everyone will like it.

Motivation: _____

C. A company posts “50% OFF today only — buy now!”
Motivation: _____

4. Short Response

In one sentence, explain why understanding someone’s **motivation** helps you tell if a post might be misleading.

5. Scenario: Who Gets the Candy?

Read the scenario and choose the MOST likely motivation.

A student posts a video of a prank on a friend. Everyone is laughing, and the video gets lots of comments.

What candy are they getting?

- A. Money
- B. Fame (attention)
- C. Popularity (likes from classmates)

Circle one: **A B C**
