Then answer:

Should you STOP and THINK FIRST before you say anything?

☐ YES ☐ NO

4. Detective Time!

Here are two posts. Put a ✓ on the one that needs **Critical Thinking**:

☐ **Post A:** “Here’s a picture of my pet dog!”

☐ **Post B:** “BREAKING: DINOSAURS are alive at the playground!”

Which one makes you STOP and CHECK?

5. Create Your Media Master Superpower Pose!

On a separate sheet of paper:

Draw yourself as a **Media Master** using your brain to STOP, THINK, and CHECK before clicking online.
