WHO GETS THE CANDY – LYRICS

well I saw a post
that caught my eye
and it made me laugh
and I wondered why
so I took a thought
now
what's all this about

"likes" feel real good
but don't forget
it's a tricky world
on the internet
so stop and think
before you
send it out

oh tell me
who gets the candy
well is it you or me
for the
money
fame
and fortune
popularity

cause every
post has a reason
just you wait and see
so tell me
who gets the candy
trick or treat

oh tell me
who gets the candy
well is it you or me
and or the money
fame
and fortune

popularity
and every post
has a reason

just you wait and see
so tell me
who gets the candy
trick or treat
