📘 Lesson 4 Quiz – Grade 6

Name: _____ **Date:** _____

1. Multiple Choice

The question "How FULL is it?" helps you evaluate a post by checking whether it is:
A. Popular, exciting, and funny
B. Helpful, Hurtful, or Truthful
C. New, trending, or viral
D. Something your friends already shared

2. True or False

Untruthful posts are harmless as long as you don't mean to spread misinformation.
True / **False**

3. Identify the Post (H = Helpful, HF = Hurtful, T = Truthful)

Write **H**, **HF**, or **T** next to each:

A. A student posts a guide that shows classmates how to organize their binders.
_____
B. Someone shares a rumor about a new kid without evidence. _____
C. A nature video shows real photos with sources explaining how ecosystems work.
_____

4. Multiple Choice

Which is the BEST example of a Media Master using the "How Full Is It?" rule?
A. Sharing a post quickly so you don't forget
B. Ignoring how a post makes someone else feel
C. Pausing to check if a post is hurtful, then choosing not to repost it
D. Liking a video just because it's popular

5. Short Answer

Why is it important to check if a post is *truthful* before sharing it?

6. Scenario Question

You see a post that says a celebrity donated "millions of dollars to your school," but there are **no sources** and comments say it's "probably fake."
What should you do FIRST?

A. Repost it — it's exciting news
B. Pause and check for evidence from reliable sources
C. Ask everyone in class if they think it's true
D. Share it with your friend "just in case it's real"

7. Media Master Moment!

A student shares a picture making fun of someone's clothes.
This post is:

A. Helpful
B. Truthful
C. Hurtful
D. Popular
