

# Lesson 4 – HOW FULL IS IT?

## Grade 7 Quiz – Teacher Answer Key

### 1. Multiple Choice – What does “How FULL is it?” help you decide?

✓ Correct Answer: B – Helpful, hurtful, or truthful

### 2. True or False

**Statement:** If a post is hurtful but true, it's still okay to repost it because the truth should always be shared.

✓ Correct Answer: FALSE

*Reason:* Even truthful content can cause unnecessary harm. Media Masters think before sharing.

### 3. Categorize the Post

A. A post teaching students how to organize homework.

✓ Helpful (H)

B. A post claiming something shocking with no source.

✓ Truthful? No → NOT truthful → Label: T (for Truthful test fail)

(If students used “Untruthful” instead, that is also acceptable.)

C. A post making fun of a new student’s clothes.

✓ Hurtful (HF)

### 4. Multiple Choice – Evidence Check

✓ **Correct Answer: C — It has evidence from reliable sources**

## 5. Short Response

**Sample Correct Answers:**

- Sharing hurtful content spreads the harm even if you didn't create it.
- It continues the embarrassment or cruelty.
- It signals to others that hurtful behavior is acceptable.
- It increases the audience of the hurtful message.

(Teacher note: Any answer recognizing that sharing = participating in harm should receive credit.)

## 6. Scenario Question

✓ **Correct Answer: B — Ask: Is this from a trustworthy source?**

*Media Masters check the source FIRST before reacting.*

## 7. Media Master Judgment

A friend exaggerates a rumor to make it funnier.

✓ **Correct Answer: B — Hurtful**

*Even if meant as a joke, exaggerated rumors cause real damage.*
